Sir,

In enclosing a copy of Council resolution No 226 dated 25-9-1948 sanctioning the continuance of the allowanc to a clerk for looking after the correspondence work and accounts connected with the special tarring scheme sanctioned for a period of one year from 1-4-1947, vide G O No 9869-70/ M1 11-47-48 dated 27-9-1947 (copy enclosed), I have the honour to state that owing to the non-availability of tarring emulsion and other materials, the work could not be completed within one year

In the meanwhile the estimates themselves had to be revised which required additional correspondence As such the works Committee have resolved that the allowance which had been sanctioned to the clerk for looking after the work may be continued till the end of the current official year i ,e, 1948-49 by which time the tarring work is expected to be completed As resolved by the Council the question of entrusting the work to an official having light work will be examined and further proposals will be placed before the Municipal Council

As the officials entrusted with this work are put to hardship the allowance up to the end of September 1948 has been paid pending sanction of Government From October onwards, it will be paid for only for the months in which there is substantial work

I request that sanction of Government may kindly be obtained for the continuance of the allowance and payment of

of the same to the clerk entrusted with the work from 1-4. till the end of June 1949

Yours faithfully,

President
